

KURT LAUREN DELOS REYES DE LEON

IT INTERN

62 Sixto De Leon St., Gen. T. De Leon, Valenzuela | deleonkurtlauren@gmail.com | +63 927 312 6265

SUMMARY

A passion-driven student from BS Information Technology who excels in the general field of IT and can type out documents with efficiency. Known for great communication skills, adaptable, and can work under pressure. Equipped with vast knowledge in documentation, data analysis, UI/UX design. Familiar with basic concepts of web development, programming, and core IT concepts, together with hands-on experience in data management. Looking to gain practical exposure and contribute meaningfully while continuing to develop professionally.

PROFESSIONAL EXPERIENCE

Internship Duty, Office of the University Registrar (PLV) July 2024 - August 2024

- Assisted in enrolling the students for Academic Year 2024 - 2025, contributing 15% workload to the staff.
- Oversaw enrollment analytics every end of the day, increasing work efficiency for the staff by 15%.

Data Encoder, Malanday Public Library January 2023 - June 2023

- Piloted an Excel ledger of book details for opening preparation, speeding up preparation by 30%.
- Assisted with the preparation for the official opening of the library.

PROJECTS

Sitero Compass August 2024 - Present

Documentation Lead, Pamantasan ng Lungsod ng Valenzuela

- An ongoing capstone project focused on the development of a campus engagement and information system for a public national high school in Valenzuela City.
- Digitalization of traditional reporting in the aspect of facility statuses, grievances, and lost and found management.
- Key role: Documented the entirety of the project from planning to development. Possesses a standard research manuscript that explains the system's purpose and technicalities.

EasyTickIT February 2025 - May 2025

Project Manager/System Analyst, Pamantasan ng Lungsod ng Valenzuela

- Development of a QR-based ticketing system aimed to reduce paper usage in event admissions.
- A digital catalogue of all events, with a reservation system for users who want to attend an upcoming event.
- Key role: Headed the conceptualization and initial drafting of the website, managed groupwork to be distributed equally, handled the entirety of the documentation, and assisted with other tasks that enhanced system development.

PLV ORG October 2024 - December 2024

Leader, Pamantasan ng Lungsod ng Valenzuela

- A digital catalogue of all existing organizations, both academic and non-academic, designed to enlighten all students, mostly freshmen, the existence of different organizations within the school.
- Key role: Led system conceptualization, task delegation, and created the entire manuscript for proper documentation of system development.

Basket Champs

August 2024 - December 2024

Scrum Master, Pamantasan ng Lungsod ng Valenzuela

- Conversion of a traditional basketball game into a tabletop game while keeping the technicalities without compromising the fun of the actual game.
- Key role: Handled daily team meetings for daily updates of the delegated tasks for every member to be aware of the current progress, contributed to game conceptualization and documentation.

EDUCATION

Bachelor in Science in Information Technology

August 2022 - Present

Pamantasan ng Lungsod ng Valenzuela

- Studies General Knowledge in the field of Information Technology.
- Ongoing Capstone regarding Campus Engagement and Information System.
